LETTER TO ATHLETES

Congratulations on your participation in the 2015 California Senior Games Championships and on the level of athletic excellence you demonstrated to our community this Spring! Over 1,500 senior athletes from California and 13 other states visited Pasadena (and surrounding areas) and competed in 27 different sporting events.

We are especially excited that Pickleball was held in Pasadena for the very first time. We congratulate Commissioners Michele Logan, Bolaji Solabi, Luis Gomez and Janelle Morton for their enthusiasm and energy in spearheading the 3-day tournament that played host to over 110 Pickleball players from three Western states.

The strength and success of State Championships and the Pasadena's Senior Games is due in large part to the experience and expertise of our Sports Commissioners. We welcomed to our "family" three new Commissioners (besides Pickleball) — Javier Djeu (Tennis) Pedro Garcia (Badminton) and Eileen Raycroft (Archery).

As with any event, the Games would not be possible with the financial support of our Sponsors. We are extremely grateful to Capital Guardian, Right at Home, Pasadena Highlands and Torrey Pines Bank for their monetary backing and to the numerous in-kind sponsors, all of whom are acknowledged at the end of this Results Book.

As a senior athlete, you accepted the challenge to participate in a competition of endurance, strength, agility, perseverance, speed, skill and good sportsmanship. Whether you consider yourself a "senior" at 50, 60 or even 90, you have spent much of your life demonstrating the importance of physical and mental fitness and have raised the bar for all seniors in motivating them in their quest for a healthy lifestyle.

On a personal note, I want to thank each of you for your support of the 2015 State Championships and for proving that leading a healthy and active lifestyle is the key to longevity. I do not know of another "healthy lifestyle" program that makes such an impact on people's lives. Individually, you have endeavored to achieve your personal best. Collectively, you have striven to help your fellow athletes achieve the achievable.

I salute you all — you represent the best of California!

I also want to thank you for being our friends and "extended" family for a brief period of time this year. We hope that Senior Games has made an impact on your lives—we know that it has on ours. We are indebted for the passion that you continue to instill in all of us.

So, celebrate your accomplishments and we will welcome you back in 2016 when Pasadena will again host the State Championships, the official qualifying site in California for the 2017 National Senior Games in Birmingham, Alabama.
